

# Workplace Restart

**WEAR A MASK. PROTECT YOUR WORKPLACE. LOVE YOUR COMMUNITY.**

---

PIEDMONT TRIAD REGIONAL  
WORKFORCE DEVELOPMENT BOARD

## **Initiative designed by the Piedmont Triad Regional Workforce Development Board**

As companies prepare to reopen, they are charged with protecting their staff and customers during a global pandemic; the Workplace Restart initiative is focused on getting businesses open and people back to work while ensuring the health and safety of our workforce.

Workplace Restart ensures essential resources and educational tools are available for local businesses. In partnership with Mask the City, the Piedmont Triad Regional Workforce Development Board launched this innovative effort to provide Nightingale Face Masks and COVID- 19 health training to local employers and their staff.
